**ALITHERM**

## Our Pedigree

Smart Systems has over the past 25 years grown to become one of the UK's leading systems company with a reputation for product innovation, design expertise and quality in the Window and Door industry.

Located in Yatton, North Somerset, in an impressive 120,000 sq ft purpose built offices and manufacturing plant the company has an annual turnover of £25 million and employs 70 people.

Smart Systems has a national distribution service with its own dedicated fleet of Lorries making daily deliveries to its network of reputable fabricators and installers throughout the United Kingdom.

Smart Systems is a member of the internationally renowned Aliplast Group.

# Design for Heat Conservation

Alitherm windows and doors have been designed to reduce heat loss by the use of a thermally broken aluminium frame with a polyamide bridge. The polyamide material has a very high resistance to heat transfer from the inner face of a frame (i.e. inside a room) to the external face of a frame (i.e. outside).

The thermally broken frames provide homeowners with windows and doors that have distinct advantages.

## Strength and Durability

are provided by the use of Aluminium sections which gives structurally sound windows and doors for your peace of mind.

## Warmth and Comfort

are benefits enjoyed by homeowners because Alitherm windows and doors are thermally efficient and contribute to a reduction in the cost of heating bills.

## Elegant Slim Sightlines

are features of the Alitherm windows and doors which are enhanced by an Ovolo, chamfered or square profile edge appearance. Additionally, homeowners have a dual colour option which means having a choice of finishes and colours externally and internally.

# Alitherm Windows

The Alitherm range of windows offers all you would expect from a quality system – Greater comfort, better insulation, minimal maintenance, aesthetically pleasing appearance and enhanced security. In short, the Alitherm product range offers you peace of mind but even more it represents a sound investment in your property.

Whatever your taste or style of home, we can offer distinctive window designs to suit. Our unique style of windows are available in a choice of finishes and colours externally including luxurious mahogany and rich golden oak as well as a white finish internally.

# Alitherm Doors

Our handsome range of entrance doors will impress your guests and keep out both the elements and unwelcome intruders. Our Alitherm doors are designed for use as open out or open in, single or double doors, internally or externally beaded with side-light and low threshold options.

Elegant, yet strong and durable Alitherm doors enhance the beauty of your home, keep in the warmth and let in more light because of the slim sightlines. Peace of mind is ensured by the enhanced security provided by a multi-point locking system.
